

Cold Water: Gas Engine

The **CPS Series** is a rugged, gas powered cold water wash skid. The low rpm belt drive pump runs cooler to ensure long life and is ideal for use when drawing water from a bulk tank. The heavy duty powder coated, Pro-Tect-It frame prevents damage to components; allowing you to take it, worry free, through the roughest terrain. The industrial grade gasoline engine allows you the flexibility of providing cleaning power – whether it is out in the field cleaning equipment or cleaning use at any facility. Flexible mounting options, you choose your level of portability: mount on a trailer or tank skid, on wheels, or stationary.

PRESSURE	3500psi
FLOW CAPACITY	5.5gpm
POWER / ENGINE	570cc Vanguard V-twin Electric start, low oil shutdown, pressure lubrication, oil filter
ENGINE FUEL / CAPACITY	Gasoline / 4 gal
POWER DRIVE	V-Belt Drive with EZ Align™ pump rail, stainless belt guard
CONTROL PANEL	Panel mounted, high-pressure water outlet and nozzle grommets
PUMP	General Pump
PRESSURE CONTROL	Pressure regulating unloader
PRESSURE HOSE	3/8" x 50' / 4000 psi rated
GUN / WAND	48" molded insulator wand with quick coupler
NOZZLE	#5.5 (15°, 25°, 40°)
SOAP INJECTION	none
FRAME CONSTRUCTION	Rugged, powder coated Pro-Tect-It™ frame (stainless steel frame option available)
NET WEIGHT/DIMENSIONS	224#, 32"l x 24"w x 27"h
WHEELS	Optional wheel kit available

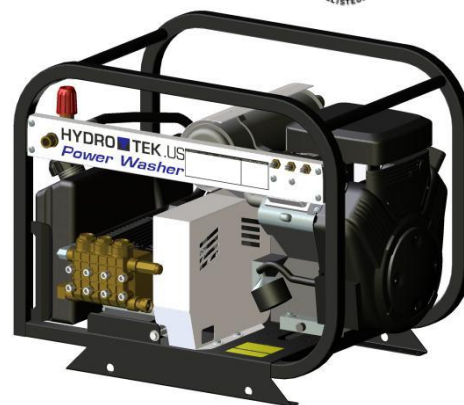

*Specifications subject to change without notification and may vary due to ambient conditions – Battery not included

**Featuring:**

- ✓ **Engine:** Electric start, twin cylinder, smooth engine with pressure lubrication with low oil shutdown
- ✓ **Long Life Design:** Built with the same chassis design & components as our proven hot water skids
- ✓ **EZ Align™:** Hydro Tek's belt tensioning system makes belt adjustments easy, with a single bolt, and has an integrated self aligning mono rail pump mount

Options...

Hour meter (AM512) Stainless frame upgrade (HS221), Hose reel-pivoting (AR425), Wheel kit (AHS13), Mobile wash trailer (T185CP), Tank skid (T185TW, T270TW), Hot Link™ hot water box (CPHL)
